A Specific Ministry for Young People

on Sundays when St. George’s does not hold Sunday School

There are 5-6 Sundays throughout the September to June timeframe during the year in which no Sunday School occurs to give a much-needed break to the Sunday School Staff. A parishioner has graciously come forward to organize some activities for children who attend our church on those Sundays. We have one such Sunday before the end of June – **Sunday, May 17th**. Since we have not offered this program before, we do not know how many parents will bring their children to our 10 a.m. service on this particular long weekend. This means we’re not sure if we need more than one adult to facilitate the program. If you think you could help out on May 17th, please contact Father Don or one of the Wardens, who will put you in touch with the program leader.

Driftwood Student Nutrition Program

The Driftwood Student Nutrition Program is seeking enthusiastic volunteers to join its dedicated team of people providing nutritious food choices to the students of Driftwood Park Elementary School. Tasks include meal preparation, attendance and promoting healthy food choices with children. This is an excellent opportunity to support children in this neighborhood and gain skills in food service, nutrition and team work. Training is available in safe food handling and first aid. The nutrition program runs currently every Thursday morning and we would like to expand it to three days a week, if we have more volunteers. Time commitment is one or more hours per week. Please contact Brian Banks Community Development Worker at Nutrition for Learning 519-745-5745 or bbanks@nutritionforlearning.ca

The Auction Is Coming! The Auction Is Coming!

Our popular and very successful Parish Auction/Pub Night is this coming Saturday! Please mark the supper hour and the evening of Saturday, May 23, 2009 on your calendars and plan to attend this event! **See John Shaw after the service today for tickets or call the Church Office (519-744-4751) in the morning during this week and speak to Valerie to reserve your tickets.** The evening is organized as follows:

- Silent Auction: 5:00 – 7:30 p.m.
- Supper: 5:30 – 7:00 p.m.
- Live Auction: 7:30 – 10:00 p.m.

We have received a number of items for the auction **but still need more!** We will accept auction items at the Church this week in the mornings. Please insure that your name is on the item when you drop it off to Valerie, our Church Secretary. Also, please do not forget to complete a donation form which is available in the Narthex so that Nelson can keep track of the donated items. Traditionally, auction items tend to be material in nature but your creativity is welcomed. Previous items donated for the auction have included such items as homemade pies, pottery, knitted items, pictures/prints/paintings, DVDs, a DVD player, Royal Doulton figurines, an authentic Italian dinner for four at a parishioner's home, four hours of ballroom dance instruction, tickets to a Kitchener Rangers' game, tickets to a Blue Jays' game, etc. Indeed, some very interesting auction items have been presented in past auctions to the enjoyment and glee of the crowd attending. Be thinking of suitable items for the auction and save this coming Saturday for a great opportunity for fellowship and fun! Informational posters and volunteer sign-up lists are displayed in the Narthex. **We need your voluntary help in different areas on the day of the auction.** Tickets are on sale after the service today and throughout the week. Your Coordinators are Jim Stirling and Nelson Cuthbert. They will be glad to respond to any questions, comments, suggestions and accept any help, donations, etc. See you at the Auction!

Financial Update

May 14, 2009

As of April 30, our financial situation is not quite as encouraging as we might hope, but not without several bright spots.

Our weekly givings are down about \$2500 from what our givings were at this time in 2008, but this is substantially less than the \$5000 difference that was reported a month ago – which is good news. Put another way, the impact of Easter was to 'catch up' by \$2500.

The overall picture is a bit of a concern, since we are \$18,600 behind in regular givings than we budgeted in January at Vestry. But this reflects the historical tendency at St. George's to be behind for much of the early part of the year, and then catch up in the fall prior to Christmas. We have been in a similar position in April in a number of previous years.

On the plus side, our donations for capital expenditures are up \$1,857. As has been indicated in other reports, our *Fix It* campaign continues to receive support – we have received roughly \$7800 for much-needed upgrades to our facility. The new sanctuary carpet will have been installed as of the publication of this update, and we are in the late stages of planning for the painting of the HVAC tube above the main aisle. Electrical upgrades have been made in the building, as well as some much appreciated painting by members of the Property Committee. In short, we are gradually sprucing up the church, as we can afford to do so.

Our miscellaneous revenue (e.g., from room or facility rentals) is up \$1,000 and our miscellaneous costs are down \$1900 – both positive numbers. Our property costs are slightly over budget for this point in the year – due to the cost of the carpet – but nevertheless \$7780 less than they were a year ago. Some of our other church expenses are up a bit, but most are on budget.

Overall, we had a net operating deficit at the end of April of \$5880. With your continued support, we think we can continue to stay close to or meet our financial goals for the year.
