## Financial Update

Sept. 29, 2009

As of the end of August, our regular donations were ostensibly down about \$3,300 compared to August 2008, but were really down about \$6,300, because our August total included a special donation of \$3,000 that was designated to pay for our Youth Minister.

Our donations for capital improvements were up \$2,500, which is good news. Since September 1st, further monies have been donated to our Fix-it Campaign to help pay for continued upgrades to our facility (for example, the recent repainting of our heating/air conditioning tube above the main aisle).

Our fundraising revenue continues to be up over 2008 (roughly \$3200) because of the monies taken in during our auction.

On the expense side, to this point in the year we have spent considerably more than in 2008 - on wages and benefits, property improvements, and worship expenses for reasons related to the costs of our youth minister, considerable property upgrades, music, our full-year music director, and additional clergy. To date, we have spent less on miscellaneous expenses.

The net result of lower income and higher costs than were anticipated at Vestry in January is that heading into the last four months of the year we have an adjusted operating deficit of \$16,240. Expressed another way, we have a lot of ground to make up to meet our 2009 budget. This situation is not unusual for St. George's, but it is of some concern. As a congregation, we will need to be quite vigilant and generous in our givings from now until the end of December if we hope to avoid a significant deficit heading into 2010.

The Treasurer has recently presented a detailed outline to the Executive of the general picture sketched above, and has shared the same information with Parish Council at its Sept. 22<sup>nd</sup> meeting.

## HELP TO FEED THE HUNGRY

We are hoping to provide St. John's Kitchen with ground beef/ground turkey and spices during the month of October. Chili Powder, Garlic Powder and Cumin are spices that are required along with any other spice of your choice. If each family in our parish could provide 1 or 2 lbs. of ground meat, just imagine how many people St. John's Kitchen could feed. Please bring the ground meat frozen.

We are Truly Blessed, let us share some our Blessings with others. With Many Thanks – The Outreach Committee of St. George's!
