We are asking that you save some bottles for our popular Bottle Pull. More is always best!!!!

## Our Service Announcements

Parish Executive at its October meeting reviewed the placement of announcements in our services. We are of the view that the best place to have a further discussion of this issue is at Vestry in January, where we are likely to have a solid cross-section of parishioners from both services, and some time to listen to each other. In the short term, and as a general rule, the wardens are going to continue to do announcements at the beginning of the 8:15 service and at the end of the 10:00 services. We'd appreciate if our congregation would give some thought to the timing of announcements in these services, and bring any perceptions or insights they have to Vestry.

The issue is not necessarily an either/or situation. At a recent main 11 a.m. service in the Episcopalian National Cathedral in Washington, D.C. on Sept. 20<sup>th</sup>, parish announcements were made in the middle of the service by the homilist just before the sermon. At the 10 a.m. folk mass service in a chapel in the same cathedral, they were made at the end of the service by both the presiding minister and by several members of the congregation.

## HELP TO FEED THE HUNGRY

We are hoping to provide St. John's Kitchen with ground beef/ground turkey and spices during the month of October. Chili Powder, Garlic Powder and Cumin are spices that are required along with any other spice of your choice. If each family in our parish could provide 1 or 2 lbs. of ground meat, just imagine how many people St. John's Kitchen could feed. Please bring the ground meat frozen.

We are Truly Blessed, let us share some our Blessings with others. With Many Thanks – The Outreach Committee of St. George's!
