After only a few months of starting the Pneumonia Prevention Vest
Project we have close to 100 vests ready to go! On Wednesday,
April 14th we are planning an appreciation breakfast for everyone
who has participated in the making of these beautiful vests.

Breakfast will be served at 8 am and we will be joined by David
Imrie of CTV who is planning to do a segment on the project. Fr.
Don will be blessing the vests at our 10am Healing Service and
then we will be packing them up for delivery. Please pass the word
on to anyone you know who is working on vests and invite them to
our breakfast, those who attend St. George's as well as our friends
in the community who are making vests through the suggestion of
someone in our parish community. Please add your name to the
sign-up sheet, or the name of your friend who is making vests if
they are able to be with us for breakfast so we can plan for the
food. For further details please speak to Lilian Cressman or Laura.
Thank you, and well done!

Coffee Hour Appreciation

The Outreach Committee is providing Coffee Hour today in appreciation of all the volunteer hours that have been given by you to others. Thank You, The Outreach Committee

Furniture Day May 8

The committee of Waterloo Deanery Churches that sponsored the Niang family from Burma are having a **good** used furniture day for members of the Chin Community located in the Kitchener Waterloo area. Chins are people who live in a district of Burma and many have come to Canada from refugee camps in the last few years. It has come to our attention that this community could benefit from donations of good used furniture (no large appliances) as they must furnish their apartments with only a start up amount of \$400.00. This community worships out of Benton St. Baptist Church so we are having the afternoon at their place of worship to make it easier for them. If you have any **good** used furniture that you wish to donate, please drop it off at Benton St. from 8:00 - 10:30 am Sat. May 8th. The community will have an opportunity to pick up the furniture during the afternoon of the 8th. The head of the community was quite moved when made aware of the outreach ministry that was being planned. If you have any questions or would like to volunteer, please speak to Ruth Pearce.
