OUR WOODEN CROSS

Our wooden cross in front of the window has been there since Easter 2011. The worship committee has had comments both positive and negative about the effect of the cross being left up for such a period of time. In the past, the wooden cross has only been in the church for Good Friday. After the Easter season is over, then it is put away until the following Good Friday. If you would like to express your opinion on whether you would like to see the cross left in front of the window, with or without the liturgical color to match the church season, or whether your preference would be for the wooden cross to be put away after each Easter season, please put it in writing and sign it. You may leave it in the church office in an envelope addressed to "Worship Committee". We would like to have the comments before October 12 to enable us to discuss this matter at our next worship committee meeting in October.

Thank You from the Worship Committee

HABITAT LUNCH!

On Wednesday, September 21st, St. George's will be sponsoring the lunch at the Habitat build site. In order to do this, we need loaves of sandwiches, cookies, and help from a few people to serve the lunch. There is a sign-up list in the Narthex. If you would like to support this outreach activity with a small monetary donation, there will be a basket at the back of the church. This will be used to purchase drinks and some fruit for the lunch. Any questions can be directed to Valerie Cuthbert (578-8671).
