A Stewardship Moment What Does God Expect From Us?

As Christians we use a popular term "stewardship." When we hear that word we expect that our leaders want us to give something. It is a word that is often associated with "tithe," "generosity," and "money." While these associations are not wrong, stewardship means much more than simply giving time, talent, and treasure. Remember the parable of the talents in chapter 25 of Matthew's gospel? Here talents refer to money. But the word talent is broader than money. It refers to a broad range of things. If God has given you money—and he has given some to all of us—then we must receive it as a trust from him. If he's given us talents—some kind of special ability—then we must use that for him. If given a spiritual gift—and every Christian has at least one—then we must use that for his kingdom. Each day the Lord gives us opportunities to serve—at work, at play, with our family, in the community. The thing to really remember is that the talents given to us are a trust. When you put money into a trust account at the bank, they keep it for you but you expect to see interest returned to you on that money. God gives us talents in various forms so that we can be fruitful and multiply them for the work he has given us to do on his behalf. Our response to God's grace ought to change our lives. Christ didn't die only to save our souls. He was victorious over death so that we might know how to truly live and also find great joy and purpose in that life. Let's live and work every day in the certainty that Jesus one day will say to us, "Well done, good and faithful servant!"

Kitchen Tidying

We are looking to update the list of Kitchen Cleaning Helpers. We are looking for pairs or small groups of parishioners who will go in and tidy the kitchen once in the calendar year. Twelve pairs or teams will be needed. The job is to wipe the exterior of the cupboards, island, and coffee cart, clean the sink, wipe the fridge out and dispose of items in the fridge. Groups who use the kitchen are expected to leave the kitchen clean and tidy but a general check is very helpful. This will take about 1 ½ hours. A sign-up list is in the Narthex. Thank you to all who have already been doing this task.

CLAY Bottle Drive Fundraiser

The youth group is conducting a bottle drive fundraiser February 21. The congregation is encouraged to bring in their empty bottles (beer, wine, coolers). We will have a van outside of the church for collection. Alternatively we are happy to come and pick them up from your home. Thank you in advance for supporting our youth!

Outreach

Our annual "Potato and Easter Treat Drive" runs from February 28 to March 13 inclusive for St. John's Kitchen. They were delighted in hearing again that we would be donating fresh potatoes, as they do not receive fresh vegetables often. They again thanked us for last year's potatoes and treats. Thanks again in advance for all your help. Susan Butt
