**Parish Potpourri - Revealed!**

Thank you to all that entered our 'baby picture identification challenge' in the winter edition of the Dragon Flyer. Many of us have changed considerably which made the challenge more difficult than we initially thought it would be. Fran Rothenberg and Connie McCoy had the most correct answers and each will receive a set of St. George's coasters. Check the Narthex to see who is (was?) who!! The Dragon Flyer Team

P.S. Watch for another challenge in our spring edition. We promise it will be easier!

**Highlights from the November Parish Survey**

Thank you to all who completed the recent parish survey. A total of 81 completed surveys were received, representing 124 members of our parish family. Highlights include:

- 68% of respondents would welcome Morning Prayer and/or Evensong as additional or alternative worship services. Frequency for these services were equally divided between monthly and bi-monthly
- a high percentage of respondents utilize our weekly bulletin as a source of information by either taking it home from Sunday services or reading it on-line
- 84% prefer announcements at the beginning of Sunday services (vs. at the end or not at all) but written comments suggest these should be short in duration

Other tools used to communicate information to our parish family received the following endorsements:

- 80% check the bulletin board postings on a regular basis
- 99% value our quarterly newsletter "The Dragon Flyer"
- 73% check their mailbox frequently
- 81% endorsed the printing of the monthly parish event calendar
- only 31% accessed our parish website as a source of information during the previous month - this needs to be addressed

Information from the survey has been shared with the appropriate Laity committees for follow-up and action. Additional comments and input are always welcome.
