Christmas Market

Attention to those who make jams or relishes or do any kind of preserves! The season of summer canning is about to begin. Please consider putting a few jars aside for the Christmas Market. Your efforts will be so appreciated. Any questions can be put forward to Valerie Cuthbert at 519-578-8671 or cuthben@golden.net. Thank you.

We welcome your talents regarding crafts or knitting and would enjoy having your handmade items. Stocking stuffer ideas would also be wonderful. If you have questions, please contact Deb Chine at 519-744-4483 or dchine@hotmail.com. Thank you.

Altar Guild Request

Over the years it has been our custom to light a candle at the prayer table. In the past, the congregation has supplied us with candles and we are most grateful for this support. However, we have reached the bottom of our supply container and we would prayerfully request donations of tea light candles. If you are able to help they should be white only and our preferences are the ones purchased from Ikea, Zehrs or the Super Centre, (or similar quality ones).

Thank you in advance – the Altar Guild

Men's Breakfast

The next Men's Breakfast is on July 15th at Kypreos Restaurant.
