Christmas Market

Attention to those who make jams or relishes or do any kind of preserves! Please consider putting a few jars aside for the Christmas Market. Your efforts will be so appreciated. Any questions can be put forward to Valerie Cuthbert at 519-578-8671 or cuthben@golden.net. Thank you.

We welcome your talents regarding crafts or knitting and would enjoy having your handmade items. Stocking stuffer ideas would also be wonderful. If you have questions, please contact Deb Chine at 519-744-4483 or dchine@hotmail.com. Thank you.

HOLY HOSTAS!

The garden guild is looking for donations of Hosta plants to install in a new shade garden at the rear of the church between the concrete ramp and the rocks. Hostas are hardy plants that are easy to split and donate to the garden. We will be planting the 'holy' Hostas on Sunday September 17 following the back-to-church BBQ. You can bring your donations on that date, or if you require assistance splitting or digging your Hostas, please contact Tim Taylor at taylors@golden.net. If you are able to donate Hostas, please email Tim so we know how many we will be receiving.

Volunteers of all ages are welcome to join us to help plant the Hostas on September 17 at approximately 12 pm. No previous gardening experience is required. The ground will be prepared in advance, so it will be relatively easy to plant and mulch the Hostas. You can bring your own trowel or use one of ours.
