Healing Table Candles

In your travels this summer, could you please keep the Altar Guild in mind. We need tea-light candles to go on the Healing table. Ones purchased from IKEA are best, but those purchased from JYSK or SUPERCENTER run a close second. If you wish, the candles can be purchased by the Altar Guild, but the majority of people consider it a donation to the Altar Guild. Whichever way you choose, we are running low at the moment, and all donations are gratefully received.

Soul Sauce Concert

The *Soul Sauce Vocal Jazz Ensemble* (8 women, 7 men), who performed a Christmas concert at our church, are putting on two spring shows. The first will be on Sunday **May 5th** at St. George's, beginning at 3 p.m. No ticket is required. Free-will donations will be gratefully accepted.

The second show will be on **May 8th** at **The Jazz Room** (bottom level of the Huether Hotel – 59 King St. N., Waterloo). Doors will open at 6 p.m. for those who might enjoy ordering dinner. Singing begins at 7:30. Admission - \$15.

If you need more information, give me a shout.
