Budget

With summer now upon us and many of us will be vacationing. Your giving's are very appreciated and would like to gently remind you not to forget the church while you're away. At vestry, we committed to a revenue budget of \$266,860.53 for this fiscal year and to date we have received approximately \$112,842.92. While this is fantastic, we are sitting \$20,587.35 under budget. Please consider how you can support your church even while you are resting!

Summer Music

Hey there, St. George's! If you're looking for a source of church music during the summer or even throughout the rest of the year - check out Rob's YouTube channel 'raszemies' - you can search for a specific hymn (be sure to include the keyword 'raszemies' in your search) or you can look through the various 'Playlists' on my channel that include all of the hymns from the Common Praise hymnal, two of the Praise & Worship songbooks that we use throughout the year and hundreds of other tracks from the Voices United hymnal, the Salvation Army Songbook as well as a variety of older hymnals and songbooks. All videos include the lyrics for all of the hymns/songs that scroll through as you hear Rob play...

Summer Lectors (Lesson Readers)

From September through June, St. George's has a pool of approximately 25 parishioners who share a schedule for reading lessons at either our 8:15 a.m. or 10:00 a.m. service. A 2-3 month schedule is created in advance to allow for conflicts in pre-assigned dates to be resolved. In the summer, with vacation times and single services, readers are asked to voluntarily sign up on the schedule sheet in the Narthex. We welcome all interested individuals to do so, not just those that are currently part of the "Reader's Guild". Looking ahead to the return to regular services in September, let Cheryl Fox or Rev. Sharla know if you are interested in joining our pool of readers.

Quilts

Hi to our prayer quilters,
Thank you all so much for volunteering to make the prayer quilts. If you have any that are ready, would you let us know or even if you are during making one let us know. As you know we have a list of recipients who will only be so happy to receive them. Someone has donated 4 completed squares for the front of the quilts. If someone(s) would like to add the batten and backs it would be appreciated. We will arrange a "tufting" get-together, if necessary, to complete the quilts. We have also

been given a quantity of fabric for these quilts so if you are interested, please contact June or Lilian.

Thank you - June and Lilian
